## General Session Speakers:

**Mark Lanterman will be our General Session Speaker on Thursday morning presenting "Easiest Catch: Don't Be Another Fish in the Dark 'Net'".**

You've read the headlines. Unfortunately, the question now is not if your information is going to be accessed or stolen, but when. Mark Lanterman will be discussing recent high-profile cyber crime events, including website breaches impacting a variety of organizations and sectors. Mark will discuss particularly dangerous types of threats that might affect individuals involving the Dark Web, the Internet of Things, phishing, and Wi-Fi attacks; additionally, Mark will demonstrate the particular impact of cybercrime on payroll-related activities with organizations.

**The General Session speaker on Friday afternoon will be Steve Mintz presenting "FISH Philosophy".**

A professional facilitator, freelance writer, editor and author, Steve's career includes decades of experience as a classroom educator, camp and retreat director, curriculum designer, college orientation program director, food service supervisor, and downhill ski coach. With a focus on re-igniting people's passions, Steve has developed and facilitated workshops for business people and educators across the country, and he trains facilitators from around the world.
